REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Madras Government in the Public Works Department :—

Referring for consideration Proceedings Board of Revenue, explaining the necessity for Store houses in the frontier Customs House at Arambuli. (Here enter 15th February 1862, No. 221.)

ORDER THEREON, 12th March 1862, No. 540.

The trade at the port of Arambuli appears to be large enough to render the Customs Kacheri, for which an Estimate was submitted with the Chief Engineer's letter, dated 4th December 1861, No. 7,947, necessary. The average annual collections during the last four years amounted to Rupees 40,972, and the Collector states that the accommodation proposed in the Estimate alluded to cannot be reduced. As, however, the question of admitting the Travancore State to the benefits of free trade with the British Territories is now before the Supreme Government, the construction of the proposed building had better be deferred for the present.
