Proceedings of the Madras Government, Public Works Department, 17th March 1862.

No. 238. Read the following letter from Colonel W. I. BIRDWOOD, Deputy Chief Engineer, Southern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 7th March 1862, No. 11,249:—

SIR,

I have the honor to state, for the information of Government, that in his letter* No. 1,763, dated 21st February 1862, the Acting District Engineer of Trichinopoly asked for an extra sum of Rupees 4,000 for irrigation repairs for the current official year, whereas in a subsequent communication noted in the margin, he applies for a grant of Rupees 5,000 or Rupees 1,000 in excess of the first named sum. As Captain Palmer reports that he could very advantageously expend Rupees 5,000 in addition to his allotment for irrigation repairs for the present year, in strengthening the river banks and executing repairs urgently required to masonry works, I beg to recommend that Government will be pleased to sanction Rupees 5,000 instead of the sum (Rupees 4,000) already applied for, out of the General Repair Funds of the Trichinopoly District.

Vide Endorsement No, 11,157, dated 6th March 1862.

No. 1,794, dated 25th February 1862, forwarded with Endorsement No. — dated — March 1862.

No. 239. ORDER THEREON, 17th March 1862, No. 449.

1. The Government grant authority for the allotment for repairs to irrigation works for the Trichinopoly District for the current year being increased by Rupees 1,000 by the transfer of that sum from the General Repair Funds of the District.

2. The transfer now authorized is in addition to that sanctioned in the Proceedings of Government, No. 398, dated 10th March 1862.

Secretary to Government.
