Proceedings of the Madras Government, Public Works Department, 18th March 1862.

No. 275. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 3rd March 1862, No. 187:—

SIR,

1 Letter from First Assistant District Engineer Ganjam, No. 356, dated 6th February 1862.
1 Do. No. 357, dated 6th February 1862, with one enclosure (Telegram).

1. With reference to the accompanying letter from the Acting District Engineer Ganjam, I have to request sanction for the allotment of the sum of Rupees 4,672, for expenditure on Trunk Road No. 6, out of the balance of Rupees 45,972, recommended to be transferred to the Reserve Fund of the current year.

2. I shall be glad to receive early intimation of approval, if accorded, in order that I may telegraph the result to the District Engineer, who you will observe expects to be able to complete the entire section between Casseebogah and Denda Gedda before 1st May if the allotment of funds is sanctioned in time.

3. In the Budget for 1862-63, the sum Rupees 1,221 stands entered for expenditure in that year. This item is erroneous, it should have been Rupees 3,451, the District Engineer having mis-apprehended the account. If however the arrangement proposed in paragraph 1 of this letter is approved, and early intimation conveyed, it will enable the District Engineer to finish the work altogether and close the account, thus setting the matter entirely at rest.

No. 276. ORDER THEREON, 18th March 1862, No. 467.

1. The Government authorize the grant of Rupees 4,672, for the road in question from the Reserve Fund of the current year.

2. This sanction cancels the provision of Rupees 1,221 made in the Budget for 1862-63.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
