1. With reference to paragraph 9 of my letter of the 19th February 1862, No. 10,740, and paragraphs 3 & 4 of the Proceedings of Government, dated 21st idem, No. 301, I have the honor to state, that from the special report which the District Engineer of Madura has made in each of the cases of the four Sub-Overseers, whom he proposed to dismiss, I am quite satisfied that their removal from the Department is desirable; and I accordingly request, that under the circumstances already brought to the notice* of Government, sanction may be given for the employment in their stead of the undermentioned individuals whom Captain Ryves has recommended for the purpose, viz.:—

4. The number of each Class of Sub-Overseers is the same as that sanctioned in the Proceedings of Government, No. 1,926, dated 19th October 1861, but that of each grade is different, owing partly to those already in the Department not having served the prescribed period for promotion to a higher grade and partly to those, newly entering, having in accordance with the Rules to join the lowest grade of the class to which they have been nominated.
