JUDICIAL DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, N. C.; to Lieutenant Colonel W. H. HORSLEY, Secretary to Government, Department of Public Works, Fort Saint George, dated Chepauk, 8th March 1862, No. 192.

1 Estimate, Rupees 350.
1 Plan.

I have the honor to submit for the sanction of Government an Estimate with Plan, amounting to Rupees 350 for the construction of an additional Record room and a Pandal to the Court House at Nundial in the District of Kurnool.

2. It will be observed from the Proceedings of the Civil Court that great inconvenience and even suffering are experienced from the glare of the sun reflected from the dry bed of the river immediately behind the Court House, and the object of the Pandal is to interpose a screen to obstruct this. The necessity for the additional Record room arises from the considerable increase of the Court records, notwithstanding the destruction of numerous unimportant documents.

3. The Plan and Estimate have met with the approval of the Sudder Court.

4. Under these circumstances I beg to recommend that the Estimate amounting to Rupees 350, after correction in this Office, may be sanctioned for execution from the repair fund of the District for the current year.

Referred for the consideration of the Judicial Department.
