Proceedings of the Madras Government, Public Works Department, 21st March 1862.

No. 373. Read the following letter from Lieutenant-Colonel J. CARPENDALE, Acting Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Chief Engineer and Secretary to Government, Public Works Department, dated Chepauk, 28th January 1862, No. 9,903 :—

SIR,

1. I have the honor to submit herewith an original letter from the District Engineer, Presidency, of the 10th instant, No. 1,971, calling attention to his letter of the 17th September last, No. 1,005, regarding the Water Works establishment, and the suggestions therein made for covering their pay, intimating at the same time that the collections average from 30 to 35 Rupees a month, whilst the cost of the establishment to be met from this source is Rupees 66; and that the salary due for the temporary establishment for the past three months amounts to Rupees 198, while the collection for January 1862 is only Rupees 34-14-0.

2. The District Engineer's letter above referred to was laid before Government in letter from this Office, dated 2nd November 1861, No. 6,804, on which no orders have as yet been passed. I therefore request that you will be good enough to move Government to issue the necessary orders on the several points therein noticed.

No. 374. ORDER THEREON, 21st March 1862, No. 517.

Recorded, with reference to Proceedings of this day's date, No. 516.
