Proceedings of the Madras Government, Public Works Department, 21st March 1862.

No. 379. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 13th March 1862, No. 11,512:—

SIR,

1. With reference to paragraph 3 of the Proceedings of Government, dated 10th October 1861, No. 1,879, I have the honor to report that in an estimate which has recently been prepared by Lieutenant-Colonel Carpendale for completing the communication between the Sea Custom House and the Madras Pier, due provision has been made for laying down along the side of the latter a line of cast iron piping for the supply of water to the shipping.

2. This estimate, together with plans, &c., has been forwarded to the Chairman of the Pier Committee for their approval and eventual submission to Government for sanction.

No. 380. ORDER THEREON, 21st March 1862, No. 520.

The Government will await the receipt of the estimate referred to in the foregoing letter, which the Chief Engineer states is now with the Chairman of the Pier Committee.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
