District Engineer, Malabar.

To,

Colonel W. J. Pordwood

Deputy Chief Engineer Southern
Circle. D. C. W.

Sir,

In reply to your Proceedings. No. 10932 dated 25th Ultimo calling upon me to report for the information of Government with reference to their Order. No. 255 of the 19th February 1862 paragraph 3, whether a paucity of Tools was complained of by the Company of Sappers employed on the Sambracheri Ghât, I have the honor to inform you that such was not ^{the} case with the exception of the instances mentioned below. Lieutenant Kennedy the Officer in charge informs me that Mr. Pugh of Messrs. Parry & Co. did accompany him to the work at a time when several of the men were waiting to have their jemiers pointed, but this was owing to the bad quality of the Steel, but not from want of Tools.

Submitted for the information of
Government, with reference to their Proceedings
N^o 255, dated 19th February 1862.

Government will observe that the
District Engineer reports that the Company of
Sappers employed on the Lumbacherry ghat,
have not complained of any deficiency of tools;
owing to the bad quality of steel for pointing
the jempers, the work was some what
retarded for a time but not to any unnecessary
extent.
