MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Acting Deputy Chief Engineer Central Circle, Chepauk, 10th March 1862, *No.* 11,333;
to the Secretary to Government, Public Works Department, Fort Saint George.

The Officer Commanding the King's Dragoon Guards at Bangalore having brought to the notice of the Commander-in-Chief that, in consequence of the yard wall round the Cells not being of sufficient height, a prisoner under sentence of Court Martial had effected his escape; and that as raising the wall was objectionable from impeding ventilation, it had been proposed to plant a *Chevaux de frise* on the top of the present wall; this Department was requested through the Quarter Master General of the Army to prepare an Estimate for the work, and I have now the honor to enclose a Plan and an Estimate, amounting to Rupees 598, which I beg to recommend for sanction, the same having been approved of by His Excellency the Commander-in-Chief. The Estimate has been examined and found correct, and the amount can be defrayed from the funds at the disposal of the Executive Engineer Bangalore, for the current year.
