473 & 475.	
Dated 26-3-	1862.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 26th March 1862.

No. 473. Read the following letter from Colonel Commandant H. B. TURNER, Acting Secretary to Government of Bombay, to the Secretary to the Government of Madras, Public Works Department, dated Bombay Castle, 14th March 1862, No. 1,436 :—

SIR,

1. I am directed to point out that certain articles of machinery at present at Beitkál, have been rejected by the Superintending Engineer, Lieutenant-Colonel Kennedy, as not adapted for the works which this Government contemplated undertaking at that place, and to request that, as in a climate so humid, and without proper shelter, such machinery is liable to injury, and its retention will involve building a proper Store room for it, and expense in keeping it from rust, immediate steps may be taken to remove it.

2. If the Government of Madras will send a proper vessel for it, care shall be taken to have it safely placed on board by the Officers of the Public Works Department.

3. A List of the articles is annexed.

LIST.

	Rs.	A.	P.
1 Punching Machine (Nasmyth) complete...	0	0	0
1 Six horse-power non-condensing Nasmyth Steam Engine, complete...	3,478	1	7

(Signed) H. B. TURNER, Colonel Commandant,
Acting Secretary to Government.

No. 574. ORDER THEREON, 26th March 1862, No. 569.

1. Ordered that a copy of the foregoing letter from the Acting Secretary to the Government of Bombay be forwarded to the Chief Engineer, with a request that he will, in communication with the Superintendent of Marine and the Bombay authorities, arrange for the early removal of the machinery now stated to be lying at Beitkál.

2. The Chief Engineer will consider whether any part of the machinery, &c., is required on the Western Coast or whether the whole of it should be brought back to Madras.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

Ordered that the following letter be despatched.

No. 475. From Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Department Public Works, Fort Saint George, to the Acting Secretary to the Government of Bombay, dated 26th March 1862, No. 570.

SIR,

With reference to your letter No. 1,436, dated 14th March 1862, I am desired by His Excellency the Governor in Council to state that the Chief Engineer Madras has been requested, in communication with the Superintendent of Marine and the Bombay Public Works authorities North Canara, to arrange for the early removal of the machinery now lying at Beitkál.

No 1436 of 1862 3

Public Works Department.

To,

The Secretary to Government of
Madras.

Sir,

I am directed to point out, that certain articles of Machinery at present at Pattikool, have been rejected by the Superintending Engineer, Lieut.t Colonel Kennedy, as not adapted for the works which this Government contemplated undertaking at that place, and to request that, as in a climate so humid, and without proper shelter, such machinery is liable to injury, and its retention will involve building a proper Store room for it, and expense in keeping it from rust, immediate steps may be taken to remove it.

2. If the Government of Madras will send a proper vessel for it, care shall be taken to have it safely placed on board by the officers of the Public Works department.

3. A list of the Articles are annexed

I have the honor to be
