*Proceedings of the Madras Government, Public Works Department,
28th March 1862.*

No. 518. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 14th March 1862, No. 214/V. 66:—

SIR,

1. I have the honor to submit for the information of Government a letter, with enclosure from the Acting District Engineer Vizagapatam, reporting certain damage sustained to a work in progress in that District, owing to a very unseasonable and sudden fresh in the river Gubbada.

2. The injury sustained does not, however, appear to have proceeded to any very serious extent, and the Acting District Engineer calculates that all will be made good for a sum which will not exceed 3 to 4 per cent. on the amount of the estimate.

No. 519. ORDER THEREON, 28th March 1862, No. 592.

1. The Government observe from the foregoing letter that the Gubbada works in the Vizagapatam District sustained damages by an unseasonable and sudden fresh in the river, and that the cost of repairing the injuries will entail an excess over the

• Rupees 12,000. 4 per cent.

2. The Government will await the receipt of the report promised by the District Engineer, Vizagapatam, after a personal inspection of the works in question.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
