*Proceedings of the Madras Government, Public Works Department,
28th March 1862.*

No. 538. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to the Secretary to Government, Public Works Department, dated Chepauk, 18th March 1862, No. 11,646 :—

SIR,

Mr. Tipping, Mechanical Engineer, having applied to me for (36) thirty-six brass Steam Boiler Tubes on payment, and which he states cannot be procured in the local market, I have the honor to state that there is at present in the Presidency Stores a larger number of such tubes than is likely to be required for the public service for some time to come. I request therefore that you will be pleased to obtain for me the authority of Government for issuing, on payment, to Mr. Tipping the number required by him, as they can be spared without the least inconvenience to this Department.

No. 539. ORDER THEREON, 28th March 1862, No. 602.

Under the circumstances stated by the Chief Engineer, the Government authorize the issue on payment of the thirty-six brass Steam Boiler Tubes applied for by Mr. Tipping.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.
