Dated <u>28-3-</u>	<u>18 62.</u>

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
28th March 1862.*

No. 554. Read the following Endorsement of the Chief Engineer, dated Chepauk, 14th March 1862, No. 11,538.

Read the following letter from Captain J. BEATTY, Acting District Engineer of Kurnool, to Lieutenant-Colonel J. OUCHTERLONY, Deputy Chief Engineer, Northern Circle, dated Camp Nandial, 28th February 1862, No. 1,093 :—

SIR,

1. With reference to Miscellaneous Circular No. XXXVI of 14th February 1862, I have the honor to report that the experience of the last two months has shown that the expenditure of this District up to 1st May 1862, will not amount to the sum provided in my re-arrangement of expenditure, and that an additional sum of Rupees 5,000 is now available for transfer to another District.

2. The items on which the expenditure will be less than the operations of previous years had led me to anticipate are the two Gháts, and this I believe to be owing in a great measure to inexperience of those works on the part of all the persons employed on them this season, with one exception.

3. There is now at my disposal from the general funds, according to the late orders of Government, a sum of Rupees 1,01,511; of this I propose that Rupees 5,000 should be transferred, and expect to be able to expend the balance, Rupees 96,511, on sanctioned estimates before 1st May.

4. I request, however, to be left at liberty to increase or diminish some of the items shown in the re-arrangement, taking care not to exceed the sums entered in the first, or Budget allotment.

1. Submitted to Government with the recommendation that the sum of Rupees 5,000 available for transfer from the allotment of the Kurnool District, may be credited to the Reserve Fund of 1861-62.

2. Referring to paragraph 4 of the District Engineer's letter the Chief Engineer has the honor to observe that there is no objection to more or less being spent upon works sanctioned for prosecution, provided the Budget allotment for each is not exceeded.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Chief Engineer.

No. 555. ORDER THEREON, 28th March 1862, No. 610.

The Government approve of the proposition to transfer Rupees 5,000 from the allotment of the Kurnool District to the Reserve Fund of the current year.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

No 1093 of 1851. 62 District Engineer's Office
Camp Kandial 28th February 1852.

From

Captain J. Beatty :

To District Engineer of Gurnool

Lieutenant Colonel J. Buchterlang

Deputy Chief Engineer Northern Area

Sir,

Shewang

With reference to Miscellaneous Circular
No xxvi of 14th February 1852, I have the honor
to report that the experience of the last two
months has shown that the expenditure of this
District up to 1st May, 1852, will not amount
to the sum provided in my rearrangement
of expenditure, and that an additional sum
of Rs 5000 is now available for transfer to an-
other District.

2 The items in which the expenditure
will be less than the operations of previous
years had led me to anticipate are the two
ghats, and this I believe to be owing in a
great measure to inexperience of those works
on the part of all the persons employed on
them this season, with one exception.
