*Proceedings of the Madras Government, Public Works Department,
31st March 1862.*

No. 573. Read the following letter from Lieutenant-Colonel J. CARPENDALE, Acting Deputy Chief Engineer, Central Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 25th March 1862, No. 11,909:—

SIR,

Referring to Order of Government, No. 318, 26th February, calling for explanation required by the Military Department as to why the extension of the Skittle Alley in Fort Saint George is estimated to cost more than half a new one, I have the honor to report that it is entirely owing to increased rates. The two Skittle Alleys, sanctioned on 10th February 1859, at a cost of Rupees 2,200 would, according to present rates, cost Rupees 1,490 each; so that the contemplated addition to the existing one at a cost of Rupees 1,180 will really effect a saving of nearly 400 Rupees.
