Proceedings of the Madras Government, Revenue Department, 20th March 1862.

No. 342. Read the following letter from the Honorable C. PELLY, Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th March 1862, No. 1,204:—

SIR,

Adverting to the Order of Government, dated 25th February last, No. 410, directing that application for an addition of Establishment to the Treasury Department of the Madras District should be made by the Collector, to the Controller of Military Finance, I have the honor to submit for the information of Government, that the Controller of Military Finance, to whom the matter was referred, has expressed* his opinion that no extra Establishment will be needed only on account of the payment of Military Pensioners. I beg to observe that the addition now applied for is not merely for the sole purpose of paying Pensioners, but to meet various other demands. It was originally supposed by Government, that as all the Táluq remittances would be sent to the General Treasury direct, the same Establishment as allowed for other Districts would not be necessary, and it was on this ground that the reduction was then effected, but the case is now quite different. Almost all the Táluq remittances are now retained in the Hoozoor Treasury to meet the payment of Troops at different Military Stations, and for defraying other charges usually incurred in other Districts. From this it will be seen that the Establishment allowed in the Order of Government, dated 21st November 1860, No. 2,195, is hardly sufficient for the efficient transaction of the duties connected with the Cash Department, and that the addition applied for is not exclusively for the simple purpose of only paying the Military Pensioners. I have therefore the honor to request that Government will be pleased under the circumstances above explained to sanction for Madras, the Establishment amounting to Rupees 57 per month applied for in my letter of the 6th February 1862, No. 1,164. This is properly debitable to the Revenue Department as in other Districts, and the charge will accordingly be included in the general list of Revenue Establishment.

* Letter from the Controller of Military Finance, dated 6th March 1862, No. 2,226, copy of which is herewith forwarded.

No. 343. ORDER THEREON, 20th March 1862, No. 622.

1. Under the circumstances stated, the Governor in Council sanctions the entertainment of the usual Treasury Establishment for the Collector of Madras on the condition that the additional cost is provided for from the funds available for the general Revenue Establishments under revision by the Honorable Mr. Pelly.

2. Specific orders are necessary as to the items in the Budgets of 1861-62 and 1862-63, from which the pay of the additional servants to be employed under this order is to be disbursed. If the sums entered in the Madras Budgets for Establishments are not sufficient, the Board will ascertain and report what transfers can be made.

Deputy Secretary to Government.

Board of Revenue

Sir

In returning the letter from the Collector of Madras dated 18th January 1862 No. 2 forwarded with Order of Government 25th February 1862 No. 410 I have the honor to observe, that although additional work has been imposed on the Treasury Departments of the Madras District by the transfer to the Civil authorities of the payment of pensioners &c., I cannot perceive that there will be any necessity for the entertainment of any extra Establishments on that account.

2 The payments will be made on fixed days I presume, and will certainly not occupy the whole month, the application has been made apparently with reference

to

to other Treasury Establishments I can of course offer no opinion upon this point, but I do not consider that the transfer of Pensioners should cause extra esspense in the Treasury Department.
