MILITARY DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Quarter Master General of the Army, Fort Saint George, 19th March 1862, No. 2083,
to the Secretary to Government, Military Department.

I have the honor, by order of His Excellency the Commander-in-Chief to inform the Government, with reference to their Order No. 922, dated 13th instant, awaiting the Estimates for the New Artillery Barracks at Waltair, that these Estimates have been promised at as early a date as possible.

2. But there is also the subject of the site, which has to be considered; and this is now undergoing investigation.

3. As the Barracks are proposed to be built on the Bellary model, some idea can now be formed of the probable cost of the Waltair Barracks, and it has been suggested, that to save time, the sanction of Government be solicited, for the collection of the materials at once. To do this, funds will of course be immediately necessary, and His Excellency the Commander-in-Chief trusts that Government will see fit to grant, or procure, the required sanction for that purpose.

ORDER, No. 1080, 25th March 1862.

Communicated to the Public Works Department, in view to the preparation of the Estimates referred to in the Proceedings of Government marginally noted, being expedited for submission to Government, when further orders will be passed.

(True Extract.)
