SIR,

1 Letter from Secretary dated March 1862, with three enclosures.

In returning the accompanying letter to your address from the Honorary Secretary to the People's Park Committee, I have the honor to explain that under the Orders of Government dated 29th November 1861, No. 1,582, the sum of Rupees 780-2-6 (being at the rate of Rupees 156-0-6 per mensem for five months) was paid from the Reserve Fund for the establishment employed at the People's Park on a list furnished to the District Engineer by the Secretary. Dr. Mudge now forwards a supplemental statement of establishment providing for an additional charge up to 30th April 1862, of Rupees 146, as also an extra estimate for coolies employed for watering trees, cutting grass, &c., amounting to Rupees 349-14-2, making a total of Rupees 495-14-2 and which appears by some oversight not to have been submitted at the proper time ; I recommend the amount may be sanctioned from the Reserve Fund.

No. 6. ORDER THEREON, 1st April 1862, No. 639.

The additional sum of Rupees 495-14-2 now applied for on account of the establishment employed at the People's Park is sanctioned. The necessary funds will be provided from the amount Rupees 15,000 allotted for expenditure in the Park during the current year.
