*Proceedings of the Madras Government, Public Works Department,
1st April 1862.*

No. 17. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 11th March 1862, No. 207/Gm. 60:—

SIR,

1 Letter from District Engineer, Ganjam, No. 384, dated 26th February 1862.
1 Do. from Collector, No. 25, dated 1st March 1862.
1 Sketch.
• No. 41, under date 21st January 1862.

1. With reference to the Orders of Government* directing that a rough estimate should be submitted to cover the expense of clearing a trace for Police purposes along the valley interposing between the Mahendragiri Range of hills and the highlands of the Sourah's country in Ganjam, I have the honor to forward herewith letters on the subject from the Collector and District Engineer.

2. The best course to pursue will I think be to sanction an outlay of Rupees 1,000 for clearing the line of communication in question, leaving the mode of expenditure to the judgment of Mr. Forbes whose local knowledge will best fit him for its economical and judicious application.

3. If by good management a small sum could be saved out of this amount, I would submit that it will be well to allow Mr. Forbes to devote it to the purpose advocated in his letter to Government, No. 327 of 7th December 1861, considered in Proceedings, No. 41, 21st January 1862, viz., the clearing of a path-way to the summit of the Mahendragiri Range, as I think the trifling outlay will be amply repaid by the data both scientific and economic which are likely to be established by making that hill chain accessible.

No. 18. ORDER THEREON, 1st April 1862, No. 644.

Referred to the Revenue Department in order that the views of the Court of Wards may be ascertained, with reference to Proceedings in this Department, dated 21st January 1862, No. 41.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

From Mr. Daniel Macintosh
Asst. Secy. Chief Engineer R.W.
to Mr. Colonel W. H. Ansley,
Secretary to Government R.W.

Sir, with reference to the order of Govt. directing that a rough Estimate should be submitted to cover the expense of clearing a trace for Police purposes along the valley intervening between the Mahendragiri Range of Hills & the Highlands of the Somah's country in Ganjam, I have the honor to forward herewith letter on the subject from the Collector Mr. W. H. Ansley.

2. The best course to pursue will I think be to sanction an outlay of Rs. 1000.- for clearing the line of communication in question leaving the mode of expenditure to the judgment of Mr. Forbes whose local knowledge will best fit him for its economical & judicious application.

3. If by good management a small sum could be saved out of this amt. I would submit that it will be well to allow Mr. Forbes to devote it to the purpose adverted to in his letter to Govt. No 327, of 7th Dec 1861, considered in Proceedings No 41, 21st Jan'y. 1862, viz^t the clearing of a path way to the Summit of the Mahendragiri Range

as I think the trifling outlay will be amply
repaid by the data, both scientific & economic
which are likely to be established by making
that Hill chain accessible.
