MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Acting Deputy Chief Engineer, Centre Circle, Chepauk, 18th March 1862, *No.* 11614;

to the Secretary to Government, Public Works Department, Fort Saint George.

I have the honor to forward an Estimate amounting to Rupees 498 for slight repairs to the chunam floor of the upper Story of the new Hospital at Bellary, and putting a covering of gunny over certain portions of it, by way of Carpetting, in order to correct the inconvenience that is experienced from the lime dust arising from the dilapidated state of the floors, and which is submitted in accordance with the enclosed letter from the Quarter Master General of the Army, and which is considered requisite by the local Medical and Military authorities pending the completion of the new stone flooring which was sanctioned in Orders of Government as per margin.*

Enclosures 3.

1 *Letter from the District Engineer, Bellary, No.* 494, *dated 7th March* 1862.

1 *Estimate Rupees* 498.

1 *Letter from the Quarter Master General of the Army, No.* 1209, *dated 25th February* 1862.

No. 338, *dated 1st March* 1862.

2. If Government approve of the proposal, I particularly request early sanction to the Estimate. There are at present no funds in the Bellary District, but so small an amount can, without inconvenience, be met from the extra grant of 10,000 Rupees which I recently applied to the Chief Engineer for the grant of, on account of the works in the Bellary District generally.

3. The item of Rupees 125 for repairing the plaster coating of the floor may be questioned, but if that repair is not made, the surface will be very uneven.

Referred to the Military Department, for consideration.

20th March 1862. (Signed) W. H. HORSLEY, Lieut.-Col.,
Secy. to Govt. Dept. Public Works.
