SIR,

I have the honor to submit for the consideration of the Board and Government, copy of a letter from the Superintendent of Pearl Banks, dated the 15th February 1862, suggesting the employment of Mr. Farmer, Sub-marine Diver, for one year from the date on which his present engagement terminates the 30th of this month, on a salary of £200 a year, in order to secure his services at the Pearl Fishery next year, and I beg to recommend the same, and that until towards the end of this year when he will be again required for the inspection of the Pearl Banks, he should be employed at Madras, in fishing Anchors, or in other such employment as the Superintendent of Marine may suggest. I beg to solicit an early reply to this proposal.

Submitted for the consideration and orders of Government.
