25-26

Dated 1-3-62 1862.

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 1st May 1862.

No. 25. Read the following Endorsement of the Acting Deputy Chief Engineer, Northern Circle, dated Chepauk, 7th April 1862, No. 244/Kr 105.

Read the following letter from Major J. C. ANDERSON, District Engineer, Kistna, to Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, dated Bezwada, 26th March 1862, No. 225:—

SIR,

1. Referring to copy of Proceedings of Government forwarded with your Memorandum No. 190/M 43, I have the honor to report that the remarks of Government on the small expenditure on the High Level Canal from the Budemair to Perikeed, must have been made under a misapprehension of the condition of the work with regard to amount sanctioned for its execution. The amount of the estimate in this portion of the Canal, the execution of which alone pertains to the Officers of this District, is Rupees 79,550. The expenditure to end of last official year was Rupees 77,503, so that the balance available for expenditure during the current year was only Rupees 2,047. The actual expenditure* has been more, owing to the sum of Rupees 2,753 being rendered available by recoveries, chiefly by the transfer of two boats valued at Rupees 1,846-12-2.

G. O. No. 1,062, dated 6th May 1859, communicated with Superintending Engineer Northern Circle's Memorandum No. 344, dated 11th May 1859.

* Up to end of February 1862.

2. For further information regarding the state of this Canal and the additional works which I consider necessary to complete it in a proper manner I would beg to refer you to my letter No. 67, dated 30th July 1861, to the address of your predecessor.

3. The amount allotted in the Budget of this year for this Canal for the whole of the distance from the Budemair to Dendaloor is 62,806 Rupees, but of course I had no power to expend more on the portions of the Canal from the Budemair to Perikeed than was provided for in the estimate for it.

4. The Order referred to in paragraph 5 of the Proceedings of Government above quoted has not been received in this Office.

Submitting to Government No. 225 of 26th March from the District Engineer, Kistna, with reference to Order of Government No. 497, dated 20th March 1862.

1 Letter from District Engineer Kistna, No. 225, dated 26th March 1862.

(Signed) J. OUCHTERLONY, Lieut.-Colonel,
Acting Deputy Chief Engineer, Northern Circle.

No. 26. ORDER THEREON, 1st May 1862, No. 902.

Ordered to be recorded.

(Signed) W. H. HORSLEY, Lieut.-Colonel,
Secretary to Government.

Sir,

Referring to Copy of
Proceedings of Government
forwarded with your Memo No
190 M43 I have the honor to report
that the remarks of Government
on the small expenditure on the
High Level Canal from the Budameir
& Perissee, must have been made
under a mis apprehension of the
Condition of the work with regard
to Amount Sanctioned for its
execution. The Amount of the
Estimate in this portion of the Canal,
the execution of which alone pertains
to the Officers of this Dirl is Rs 79550-

G.O. No 1069 of 6th May 1859
Communicated with Supt Engr K.C.'s Memo No 344
dd 11th May 1859.

The expenditure to end of last official year was 77503. So that the balance available for expenditure during the current year was only 2047. The actual expenditure has been more, owing to the sum of Rs 2753 — being recovered available by recoveries. Chiefly by the transfer of 2 boats valued at Rs 1846-12-2.

* Up to End of February 1862.

2. For further information regarding the state of this Canal and the additional work which I consider necessary to complete it in a proper manner. I would beg to refer you to my letter No 67 dated 30th July 1861, to the address of your predecessor.

3. The amount allotted in the Budget for this year for this Canal for the whole of the distance from the Puddemair to Dendaloor is 62,506 Rs. but of course I had no power to expend more on the portions of the Canal from the Puddemair to Perikeed than was provided for in the Estimate for which
