Dated 2 — 5 — 1862.

**Not to be folded or roughly handled**

No. 49. Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Acting Deputy Chief Engineer, Northern Circle, to Lieutenant-Colonel W. H. HORSLEY, Secretary to Government, Public Works Department, dated Chepauk, 10th April 1862, No. 258/G 56:—

1 Letter dated 25th March 1862, No. 808, with one accompaniment.
1 Letter dated 13th March 1862, No. 841, with one accompaniment.

SIR,

1. I have the honor to submit for the orders of Government papers, as per margin, from the District Engineer, Godavery, on the subject of the security tendered by Apprentices D. Janakiramiah and C. Nagaya.

* Entertained 1st October 1860.

2. Two sureties have been tendered by Janakiramiah,* but only one of them has been approved of by the Collector; and as the Apprentice states that he is not able to furnish another, and as he has no relatives or friends, besides the one accepted who are competent to pay the penalty of Rupees 200, in the event of default on his part, I request that in accordance with the District Engineer's recommendation, one surety only may be in his case accepted.

† 16th November 1860.
‡ Circular, No. CXXIV, dated 15th December 1860.

3. As respects Apprentice Nagaya, Major Stoddard in the first instance recommended that as he was unable to furnish two sureties of Rupees 200 each, and as he was, moreover, entertained† prior to the issue‡ of the Order of Government, directing that security should be taken, he should be permitted to remain in the Department, stipulating that in the event of leaving it before the completion of his term of Apprenticeship, he should not be considered eligible for employment in any other branch of the service.

4. It appears, however, that the Apprentice has tendered one surety, who the Collector, reports, "is in a position to be able to pay 100 Rupees at any time," and as Mr. First Assistant District Engineer Rundall, the Officer under whom the Apprentice is at present doing duty, states that he is a pains-taking youth and likely to prove a useful public servant, I request that as a special case the security he has offered may be accepted as sufficient.

No. 50. ORDER THEREON, 2nd May 1862, No. 914.

Under the circumstances represented by the Acting Deputy Chief Engineer, Northern Circle, and considering that both the Apprentices mentioned in the foregoing letter were entertained prior to the issue of the Chief Engineer's Circular No. 124, dated 15th December 1860, the Government authorize the acceptance of the security respectively tendered by them.
