MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter:—

From the Inspector General of Ordnance and Magazines, Fort Saint George, 10th April 1862,

To the Secretary to Government, Military Department.

No. 270.

With reference to the Order of Government No. 4351, dated 9th December 1859, I have the honor to bring to the notice of Government, that from the aggregate amount Rupees 7,847 sanctioned therein for the masonry work of the Buildings required for setting up the Steam Plant in the Gun Carriage Manufactory, and the Boiler room for the Smithy &c., the Superintendent Gun Carriage Manufactory reports, that Rupees 6,337-1-5 only have been expended on the Buildings in question, which are now all completed, leaving an unappropriated balance of Rupees 1,509-14-7.

2. I am aware of the Order of Government which precludes funds assigned for any one particular work being applied to another, either in part or in whole, I beg therefore that, as the Mortising and Planing Machines sanctioned* by Government for the Gun Carriage Manufactory require to be set up, that Government will be pleased to authorise the Department Public Works to undertake the necessary work, and submit the required Estimate.

* *Proceedings of Government No. 244, dated 21st January* 1862.

ORDER, No. 1490, *25th April* 1862.

Communicated to the Public Works Department, in view to the Estimate referred to in paragraph 2 being prepared and submitted.
