SIR,

I have the honor to acknowledge the receipt of the Proceedings of Government, under date the 25th March 1862, No. 234, and in reply to state that Lieutenant Colonel Carpendale is unable to spare the photographic apparatus referred to, as it appears that only a limited portion of Captain Tripe's stock was made over to the Civil Engineering College.

2. Lieutenant Colonel Carpendale informs me that Lieutenant Thompson is in possession of photographic apparatus, and that all that is wanted is a supply of chemicals, which may be procured at a trifling cost.

I have the honor to be,
Sir,
Your most obedient servant,
