Proceedings of the Madras Government, Revenue Department, 1st May 1862.

No. 29. Read the following Proceedings of the Madras Government in the Pension Department, dated 26th April 1862, No. 137 :—

1. Resolved that a copy of the accompanying form of application for Pension be forwarded to the various Heads of Departments and Offices, and that they be instructed to submit, in future, all applications for pension from individuals on their respective Establishments upon demi paper, in the printed form, and not, as has hitherto been the case, in manuscript.

2. Applications for Pensions or Gratuities will in future be forwarded by Heads of Offices direct to the Civil Paymaster for verification, instead of to the Chief Secretary to Government, and the Civil Paymaster after filling up the blank form upon the back of each application will transmit it in due course for the final orders of Government.

3. Heads of Offices are warned to be careful that applications for Pension are sent up in as complete a form as possible, so as to avoid unnecessary delay and correspondence upon points that may have been omitted. Explanation should invariably be given of the circumstances under which individuals may have been removed from, and restored to the public Service, and the orders of Government, or the Board of Revenue, if any, should be quoted.

4. The Civil Paymaster will return to the transmitting Officer for correction all applications for Pension in which this Rule may not hereafter be attended to.

(True Extract.)
