*Proceedings of the Madras Government, Public Works Department,
27th July 1870.*

No. 416. Read the following letter from the Superintending Engineer, 3rd Division, to the Secretary to Government, Public Works Department, dated Bellary, 15th July 1870, No. 917 —

WITH reference to notification in the *Fort St George Gazette* of the 12th instant granting preparatory leave to Lieutenant Porter, Executive Engineer, I have the honour to request that some officer may be posted to this district as early as possible, as I have no one available to relieve Lieutenant Porter of his present charge.

2. The senior Overseer in the Range may be allowed to take over *temporary* charge; but whether, under such circumstances, the Controller of Public Works Accounts would grant a "No Demand" certificate I do not know.

3. I also beg to draw attention to my letter of the 16th ultimo, No. 649, and request that some officer may be posted to the Kurnool District in room of Lieutenant Taylor, Assistant Engineer, who has obtained leave on furlough to Europe. Conductor Hudson, Sub-Engineer, who is at present in temporary charge, having been granted privilege leave for three months, is unable to avail himself of the same as I have no one to spare to relieve him.

No. 417.

ORDER THEREON, 27th July 1870, No. 1,803.

ESTABLISHMENT, No. 27.

THE Government regret that, owing to the present reduced state of the Public Works Establishment, no officers

are at their disposal for transfer to the Kurnool and Bellary Districts to re-place Lieutenant Taylor and Lieutenant Porter, but the services of Mr Supervisor Cowley, who has been posted to Cuddapah and ordered to join, will be available to relieve Lieutenant Porter, and Lieutenant-Colonel Moberly is at liberty to transfer Mr. Brickwell from Cuddapah to Kurnool to take the place vacated by Lieutenant Taylor.
