

N^o 54 Official Memo

The Secretary to Govt has the honor
to draw the attention of the Consulting Engineer of
the Irrigation and Canal Company to G. O. dated
23^d March 1863 N^o 717 and to request that
he will be good enough to submit at an early
date, the quarterly report thereon called for
of the operations of the survey party for
the purpose of selecting sites for reservoirs.
