From Lieut Colonel H. M. Hitchens R.E.
Superintending Engineer 5th Division

To The Secretary to Govt G.P.W.
Chhapauk

My

for Imperial funds.

I have the honor to request
that you will be pleased to order Lieut
Cheque books to be lithographed for
the Bangalore Executive Engineer, as
on my applying to him for one, he enabled
me to draw the amount of his depart-
-mental ^{Pay} Abstract from the Commissioner's
Treasury, he states that he has only one, which
merely suffices for his own use.

If they could be possibly supplied
on Monday the 17th instant, it would be
of the greatest service to me.

I have the honor to be

Lieut

your most obedient servant.
