Burn No 237 of
17th July 1863

I have the honor to request that the leave granted to Captain Burn Assistant Engineer Tanjore District in the Fort Saint George Gazette of the 9th ultimo may be extended to the 1st July inclusive, and that the whole may be considered privilege. The leave just granted, not having been so described in the Gazette, the Auditor has stopped a portion of Captain Burn's pay for May. -

2. Captain Burn applied (from Ootacamund) for one month's leave in addition, but in consequence of the approaching change in the department I did not forward his application, but informed him I would recommend that his leave be extended for a few days to enable him to join his district.

I have the honor to be
