*Proceedings of the Madras Government, Public Works Department,
29th May 1863.*

No. 534. Read again letter from the Superintending Engineer 2nd Division, dated 6th and recorded in Proceedings of Government, dated 21st May 1863, No. 1,291 :—

Read also the following letter from Major J. C. ANDERSON, R. E., Superintending Engineer 2nd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Bezoarab, 14th May 1863, No. 8.

Sir,

In continuation of my letter No. 4, dated 6th instant, in reply to Chief Engineer's Miscellaneous Circular No. XLI, dated 19th February last, I have the honor to forward a copy of letter No. 826, dated 22nd ultimo, from the District Engineer Nellore, explaining, that no advances are made in his District excepting in cases when it may be necessary to purchase materials for more than a single work. In such cases the outlay is charged as an advance until it can be distributed on the works in proportion to the quantity of material issued.

No. 535. ORDER THEREON, 29th May 1863, No. 1,374.

The foregoing are the reports* of the Superintending Engineer 2nd Division on the extent to which the views of Government with regard to carrying on works without advances, have been acted upon in the Kistna and Nellore Districts. The consideration of these papers will be deferred until the Government are in receipt of the reports due by the other Superintending Engineers, and they request therefore that those Officers will be so good as to expedite the submission of the same.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

By District Engineer, Albany

Res't Colonel Ludlow

Deputy Chief Engineer N.Y.

Sir,

In reply to Circular No 141 of the 19th February last. I have the honor to inform you that none of advances are ever made in this District, except those under Act III. of 1859 which only takes cognizance in cases where a consideration has been given.

2. The sums appearing under the head of 'Advances' are in many cases payments for materials to be afterwards adjusted to the different works. In the store yard there is also a heading of 'Advances', as, when purchasing a log of wood, it would not be fair to debit a work with the whole cost when that work requires only a portion, it is therefore kept under the head of 'Advances' and

afterwards adjusted by division amongst
the works on which it was expended,
according to the quantities supplied to each.

I have the honor to be,
Very respectfully,
Your obedient servant,
J. C. Anderson Major R.E.
Sup Engineer D. S. A.
