PUBLIC DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant Colonel A. C. PEARS, Postmaster General; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Public Department, Fort Saint George, dated 14th May 1863, No. 268.

I have the honor to furnish herewith copy of a letter from Messrs. Taylor & Co., dated 11th instant, respecting the condition of part of the Trichinopoly and Madras road, which is such as to cause serious delay to the travelling of the Mails and to endanger their reaching the Railway Stations in time for the starting of trains.

The result, as far as Messrs. Taylor & Co. are concerned, is that they are fined for not keeping to contract time.

From Messrs. TAYLOR & Co.; to the Postmaster General, Madras, dated 11th May 1863.

We beg to bring to your notice that Mr. Delahoyde has just returned from Trichinopoly, and he reports that the road between Morcollum and Trichinopoly, is in such a state that our horses cannot travel over it, but at a walking pace, and our Mail carts are being continually broken down by the roughness of the road on which are small stones placed for miles together without being rolled down with the roller. Our horses from this cause are being lamed and rendered unfit for work; even the foot passengers go off the road through the fields for long distances rather than go on the main road. We have lately been fined very heavily in consequence of the Mails being delayed caused by the rough state of the road which has impeded the conveying of the Mails very much.

ORDER THEREON, 20th May 1863, No. 571.

Communicated to the Department of Public Works, whence orders will be issued for the repair of the road referred to.
