BELLARY MAGISTRATE'S OFFICE,
RAMANDRUG,
30th April 1863.

(Signed) A. WEDDERBURN,
Acting Magistrate.

To the Chief Secretary to Government, Fort Saint George.

ORDER THEREON, 20th May 1863, No. 772.

In this letter the Acting Magistrate of Bellary submits a list of Taluk Catcherries, which he recommends may be sanctioned as Subsidiary Jails. The list comprises eight stations, two of which already possess sufficient accommodation, while the necessary additions at the other six are estimated to cost an aggregate sum of Rupees 294, or, on an average, Rupees 49 for each station.

2. The Governor in Council has already declared every Cutcherry under the charge of a Sub-Magistrate to be a legal place of custody for short sentenced prisoners, and no further authority is necessary to enable the Magistrate to employ the stations, which he has selected, for that purpose. The outlay proposed is very moderate, and is accordingly sanctioned. The funds will be provided by the Department of Public Works.

3. It is obvious, however, that eight Subsidiary Jails are insufficient for so large a District as Bellary. Prisoners will often have to be sent from long distances, in four cases as much as twenty-five miles, and it is desirable to avoid this as much as possible. If any of the Sub-Magistrate's Cutcheries, which are not included in Mr. Wedderburn's list, have any rooms available as lock-ups, they should be made use of at once. Where there is but one prisoners' room it may be employed for males, female prisoners being sent only to those stations where there is a separate ward for their accommodation.

4. The Magistrate should also, in the course of the year, prepare and submit a further estimate for the construction of suitable lock-ups at all stations which are more than 15 or 20 miles from the nearest Subsidiary Jail now available, in view to the work being included in the Budget for 1864-65.

5. A copy of this order will be forwarded to all Magistrates for their information and guidance.
