

Super Engineer Office 2nd Dr
Camp Mollere
1st June 1860. ^{over}

From Major J. C. Anderson R.E.
Super Engineer 2nd Dr
To Colonel W. J. Dinswood R.E.
Secretary to Government
D. D. A.

Sir
In reply to your Official
Memorandum No 26 dated 29th ultimo,
I have the honor to inform you
that I have not appointed any
members of the Establishment
of the late Central Office, to situations
in my Office, as I have felt
uncertain, as to what arrangements
would be made for the Offices
of the District Engineer and Range
Officers in the District, and as in
the event of their strength being
reduced, I should feel that
the discharged servants would have
a prior claim to be re-entertained
for
