*Proceedings of the Madras Government, Public Works Department,
5th June 1863.*

No. 126. Read the following letter from Colonel C. E. FABER, R. E., District Engineer of Coimbatore, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Ootacamund, 2nd May 1863, No. 3:—

SIR,

1. As directed in the Memorandum from the Central Office of Public Works No. 581, dated 28th April 1863, I have the honor to forward a copy of my letter No. 556, dated 25th March 1863, to the late Deputy Chief Engineer Southern Circle.

2. The amount of the Estimate for constructing a new rough stone groyne and prolonging an old one in the river Cawary near Maravapoliem for the protection of the Nunjapoogooloor channel, viz., Rupees 1,880, should I presume be now sanctioned from the Reserve Fund allotted for the current year.

No. 127. ORDER THEREON, 5th June 1863, No. 1,440.

Prior to sanctioning the work referred to, the Government request to be furnished with the Plans and Estimate referred to in the margin of Colonel Faber's letter dated 25th March 1863, No. 556, with the opinion of the Superintending Engineer on the project.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

Sir,

In continuation of my despatch
to you N^o 513 dated 28th February 1863. I
have the honor to submit the documents
noted in the margin and to recommend
the estimate for your most favorable
consideration and eventual submission
to Government for immediate authorization
of the work.

2. I have already so often reported
the necessity of this work in addition
to two other groynes; that I need not
now trouble you with any further
observations, especially as the Collector
of the District fully approves of the pro-
posed improvement.
