*Proceedings of the Madras Government, Public Works Department,
6th June 1863.*

No. 142. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, Vizagapatam, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Waltair, 21st May 1863, No. 54 :—

SIR,

1. The Collector having called upon me to make the payment of the Quit-rent of Rupees 170,* due to the Waltair proprietor, for Fusly 1272, on account of the land taken up by the buildings of the Horse Artillery, stationed at Waltair, I have the honor of requesting you to inform me if this amount is to be disbursed by this Department, and if so, from what particular item entered in the Budget for 1863-64, the demand for Rupees 170 is to be met.

2. In the District Budget† of Vizagapatam, forwarded from Waltair, on the 2nd October 1862, sufficient provision was made for this purpose under the head of "Military," but it will be seen from the printed Budget for 1863-64, that this item has not been retained; I consequently conclude that charges incurred for lands taken up by Military buildings, should be debited to the Budget of the Department, to which the buildings belong, as resolved in G. O. No. 289 of 3rd February 1863, but request special orders from Government on the subject.

No. 143. ORDER THEREON, 6th June 1863, No. 1,448.

The Government observe that under the Resolution of the Government of India in their Financial Proceedings No. 1,157A, dated 11th December 1862, the charge referred to in this letter is debitable to the Military Budget. The Military Department will accordingly arrange for its adjustment.
