*Proceedings of the Madras Government, Public Works Department,
10th June 1863.*

No. 224. Read the following letter from Captain C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Mount Road, 1st June 1863, No. 686:—

SIR,

1. I have the honor to request that an allotment may be made for each Division from the Reserve Fund to meet the sanctions of the Superintending Engineers and Collectors* under the head of Minor New Works, as well as emergent Military works which have up to this date been taken from the Repair Funds; this is not in accordance with the orders† of the Supreme Government that forbids the transfer of monies sanctioned under one head to another, and limiting the heads to Original Works, Repairs and Establishments.

2. I would suggest in all future Budgets, that as the amounts entered for new works are duly allotted to certain works, that a sum be set apart to meet the requirements under head of Minor New Works.

No. 225. ORDER THEREON, 10th June 1863, No. 1,488.

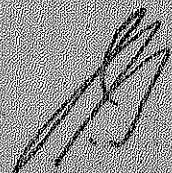

To enable Government to judge of the requirements of each District the Controller should have given the actual expenditure during the last three or four years on Minor New Works. Captain Wilkieson is now requested to supply this omission.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
