

N^o 48 of 1863/64.

Quedapah
Suptg. Engineer's Office.
26 June 1863.

Official Memo.

The Superintendent Engineer 3^d Division
the honor, in reply, to Memo N^o 70 dated 23rd Feb.
stant from the Secretary to Government, P. W. D.,
state that the entry in the Abstract Estimate
Cash requirements for the Bellary District for
month of Rupees 147,036 is incorrect, the
District Engineer, having inadvertently omitted to in-
clude therein the sum of Rupees 30,000 stan-
dard on the 21st February last. The amount
entered in the Secretary's Memo and that
submitted by District Engineer contain
the following items.

	Large Memo.	Small Memo.
New Works	42,775	12,775
Repairs	126,261	126,261
Police Buildings		8,000
	1,69,036	1,47,036

2. A copy having been kept of the Abstract
Estimate received from the District Engineer
last, that Officers will be requested to make
the necessary corrections.

Yours

Thos. Col. R.
