PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Honorable R. S. ELLIS, c. s., Collector of Madras, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Sydapet, 27th May 1863, No. 33 :—

Sir,

In reply to your Official Memorandum, dated the 22nd instant, No. 115, I have the honor to inform you that the amount to the credit of the Local Funds at the close of the official year 1862-63 is Rupees 19,461-4-0. Of this sum, Rupees 18,985-8-5 are collections made within the town of Madras. Of the above sum, Rupees 4,469 are in course of expenditure on works already sanctioned, and it is proposed to devote the remaining sum, Rupees 14,992, to improving the roads and streets and drainage of Sydapet, Chingleput and Conjeveram. This improvement is very much needed, especially as regards Conjeveram, which is annually visited by cholera. No provision has been made to meet these requirements in the apportionment of Imperial Funds in the Public Works Department.

ORDER THEREON, 4th June 1863, No. 958.

The Government consider that in future the sum realized within the town of Madras, *viz.* within the "Supreme Court limits," should be expended on public improvements therein. The Collector will annually report the amount available and orders regarding its expenditure will then be passed. The amount now in hand may be spent as the Collector proposes, arrangements having already been made with that view.
