*Proceedings of the Madras Government, Public Works Department,
15th June 1863.*

No. 327. Read the following letter from Lieutenant-Colonel R. STRACHEY, R. E., Secretary to the Government of India, Public Works Department, with the Governor General, to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st May 1863, No. 795:—

SIR,

1. I am directed to acknowledge receipt of your letter, No. 1,038, dated 27th April, regarding a claim preferred by Lieutenant-Colonel Greenaway, late Acting District Engineer Nellore, to the full salary of that appointment for the month of January last, and in reply to state that, under the circumstances explained, and as it appears from the Auditor's letter that the full salary of the appointment in question was not available, His Excellency the Governor General is of opinion that Colonel Greenaway is not entitled, under the rules, to more than half the salary.

2. With reference to paragraph 6 of your letter, I am to remark that it appears to His Excellency to be necessary that references arising on the construction of general rules as to salaries, laid down by the Government of India, should still be made to that authority for decision.
