*Proceedings of the Madras Government, Public Works Department,
15th June 1863.*

No. 335. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E., Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Camp Madanapalle, 5th June 1863, No. 17 :—

SIR,

1. In reply to your Official Memorandum, No. 90 of the 29th ultimo, I have the honor to inform you that when the Budget of 1863-64 of the Cuddapah District was despatched in September last, there was every reason to suppose that the full amount Rupees 2,500, sanctioned out of the estimate amounting to Rupees 3,000 for parapet walls on the Guvalcherru Ghát, would be expended by the end of the past official year, and the reason why this was not the case was solely owing to want of funds.

2. On the 7th January I pointed out that by the end of that month the allotment for the Cuddapah District would be expended, and that I should be obliged to stop works unless a further grant were sanctioned, but it was not until the 5th March that the Accountant General advised the Collector, regarding the sums* sanctioned by Government in their Order, No. 333, of the 10th February 1863.

* Rupees	22,580
"	11,520
	34,100

3. Thus from the 25th of January to the 10th March no payments were made, and works were in consequence stopped in every range of the Cuddapah District.

No. 336.

ORDER THEREON, 15th June 1863, No. 1,545.

Ordered to be recorded.
