*Proceedings of the Madras Government, Public Works Department,
15th June 1863.*

No. 349. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Waltair, 2nd June 1863, No. 131 :—

SIR,

1. With reference to paragraph 2 of the Proceedings of Government No. 1,321 of 23rd ultimo, I have the honor to state that a Sub-Magistrate's Cutcherry at Palkondah is a building very much needed; one, whose construction has often been urged* by the Magistrate of this District.

* See Collector's letter, No. 33 of 18th January 1861, forwarded to the Deputy Chief Engineer, Northern Circle, on the 25th January 1861.

2. At present the Sub-Magistrate's Office is held in a thatched house which is liable to catch fire.

3. I therefore request that funds may be placed at my disposal for the immediate execution of the work.

4. The only source from which they can be obtained is, I think, the "Reserve Fund of 1863-64," for I cannot point out any particular work in this District from the savings on which the work in question can be proceeded with.

5. In conclusion, I request that the plan and estimate of the Sub-Magistrate's Office now sanctioned may be sent to me for record and guidance.

No. 350. ORDER THEREON, 15th June 1863, No. 1,552.

* Rupees 2,710.

† Sanctioned in G. O. No. 725, dated 13th May 1863, Judicial Department.

Under the explanation afforded, the amount* of the Estimate† referred to in this letter will be met from the Reserve Fund of the current year.
