From

Captain F. J. Moberly R. &
Superintending Engineer 8th Division

To

Colonel W. J. Birdwood R. &
Secretary to Government P. W. &

Sir

In reply to your No 24 of the
5th instant I have the honor to request
that I may be supplied with plans and
prices of the lattice bridges, I believe that
they may be usefully constructed in parts
of this District where bricks are not easily
procurable and large spans would be of
great advantage.

I have &c
