MARINE DEPARTMENT.
PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of Government in the Public Works Department:

Referring a letter from the Acting Superintending Engineer 4th Division, requesting sanction to the renting of a house in the town of Pulicat at Rupees 15 a month for the accommodation of the Superintendent of the Light House, and the pay of a Lascar, Rupees 5, to help him to cross the water to the Light House; the late residence of the Superintendent being reported to be unsafe.

(Dated 27th May 1863, No. 1,353.)

ORDER THEREON, 10th June 1863, No. 189.

The building occupied as a residence by the Superintendent of the Pulicat Light House is, it is stated, unsafe—and it is proposed that, pending its restoration, (an estimate for which has been called for) a house be rented in Pulicat at a monthly cost of Rupees 15, and a Lascar be entertained to help the Superintendent to cross the water to the Light House, on a salary of Rupees 5 per mensem.

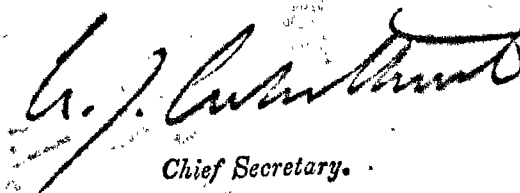

2. These charges, in all Rupees 20 per mensem, are sanctioned, and will be defrayed from such source in the Marine Budget as the Accountant General may determine.

3. The Acting Superintending Engineer 4th Division will, in submitting an estimate for the repair of the Superintendent's residence, state how soon the work is likely to be completed,

and, also, the cause of the present dilapidated condition of the building, it having been erected only about 3½ years ago.
