No. 396. Read the following letter from Captain C. V. WILKIESON, R. E., Controller and Auditor of Public Works Accounts, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Mount Road, 30th May 1863, No. 677 :—

SIR,

1. With reference to Proceedings of Government No. 1,098, under date the 30th ultimo, I have the honor to report that the Secretary of State for India in his Despatch No. 12 of 25th June 1862, recorded in Proceedings of Government dated 20th August 1862, No. 1,985, informed this Government that £129-3-4 or Rupees 1,291-10-8 have been actually paid in England to Mr. Clements' family up to the 17th July 1861, and that no further payments have been made since that date on this account.

2. Under the authority conveyed in paragraphs 5 and 6 of the Proceedings of Government dated 20th August 1862, No. 1,985, a further payment of Rupees 285-11-8 has been made to Mr. Clements, which added to the former aggregate to Rupees 1,577-6-4, and against the sum Rupees 906-9-0 has been retrenched from Mr. Clements' salary from time to time leaving a balance of Rupees 670-13-4, and as he is now employed under the Bombay Government immediate steps should be taken for its recovery.

3. I would however draw attention to paragraph 5 of the Proceedings of Madras Government above quoted, by which it will be seen that it was owing to the original application from Mr. Clements for a stoppage of payments being lost sight of in the Central Office from 12th October 1859 to 25th November 1862, that a sum of £77-5-8,* or Rupees 772-13-4, was paid by the Home Government to Mr. Mills more than Mr. Clements had intended.

* Being payments from January 1860 to 17th July 1861, when the payment stopped.

4. Should the Government consider under the circumstances that they ought to bear this loss then Mr. Clements would have a sum of Rupees 102 due to him.

No. 397. ORDER THEREON, 17th June 1863, No. 1,577.

1. In disposing of the claim preferred by Mr. Mechanical Engineer Clements to the refund of a further sum due to him on account of family payments in England, the Government consider it advisable to adopt the principle† which regulated the adjustment of his first claim, and agreeably thereto it appears from the letter from the Controller of Public Works Accounts recorded above, that a sum of Rupees 102 is still due to Mr. Clements, as follows:—

	RS.	A.	P.

2. The necessary application will now be made to the Bombay Government, under whom Mr. Clements is at present employed, in view to the amount in question being paid to that individual and the Madras Government debited with the charge.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

*Proceedings of the Madras Government Public Works Department,
