*Proceedings of the Madras Government, Public Works Department,
19th June 1863.*

No. 461. Read the following letter from Captain H. L. PRENDERGAST, R. E., Acting Superintending Engineer 4th Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Madras, 5th June 1863, No. 513:—

SIR,

1 Estimate (Abstract).
1 Letter No. 2,565, dated 23rd March 1863.
1 Do. No. 134, dated 1st June 1863.

1. I have the honor to submit for the orders of Government an Estimate of Rupees 830, furnished by the Acting District Engineer of North Arcot, for strengthening the bund and repairing the Calingulah of the Verunthangle Tank in the Chittur Taluq.

2. The work is stated to be connected with the Poiney project, and as the completion of the new Anicut channel to the tank rendered it expedient to put the bund into thorough order, its repair has been commenced in anticipation of sanction; but there has been no sum paid on account thereof up to the end of April 1863. I have therefore to request that the Estimate of Rupees 830 may be sanctioned from the sum of Rupees 52,200 allowed in the current year's Budget for the Poiney project works.

3. The signature of the Collector has not been obtained to the Estimate; neither has any statement of revenue been furnished, owing, I conclude, to such being thought unnecessary in consequence of the work being considered a part of the Poiney project.

No. 462.

ORDER THEREON, 19th June 1863, No. 1,608.

Sanctioned.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
