**Proceedings of the Madras Government, Public Works Department,
23rd June 1863.**

No. 537. Read the following letter from Lieutenant-Colonel H. W. HITCHINS, R. E.,
Superintending Engineer 5th Division, to Colonel W. I. BIRDWOOD, R. E., Secre-
tary to Government, Department Public Works, dated 11th June 1863, No. 133 :—

SIR,

1. With reference to the Proceedings of Government dated 27th March 1863, No. 772,

Dated 2nd April 1863, No. 609 A.
Dated 29th " " " 665.
Dated 3rd June " " " 37.

I have the honor to submit herewith the original letters
received from the Executive Engineer of Bangalore, the
dates and numbers of which are given in the margin.

2. It will be observed that Captain Goddard published notifications in the "Fort Saint
George Gazette" inviting Candidates for the appointments
of Store-keeper and Head Writer in his Office, but that they
produced no good results. In a Memorandum dated 28th

ultimo, No. 70, I remarked that there would not be much difficulty in finding qualified men to
fill up those places, as there were several hands thrown out of employ from the late Central
Office of Public Works, and as there were many more expected to be sent away when the
further changes under contemplation are carried out.

3. In paragraph 3 of his letter of the 3rd instant, No. 37, Captain Goddard states that he
is in hopes of supplying his wants from the source indicated by me, and begs that in the mean-
time, the two men holding those appointments and performing their duties efficiently, may be
allowed to draw their salaries.

4. I therefore request that you will be pleased to obtain the sanction of Government
to their being kept on the Establishment until such time as Captain Goddard may be able to
select competent hands from the source abovementioned, and for the Controller and Auditor of
Public Works Accounts to pass their salaries for the period of their retention.

No. 538. ORDER THEREON, 23rd June 1863, No. 1,647.

1. Under the circumstances explained, the Controller and Auditor of Public Works
Accounts is authorized to pass the salaries of the individuals referred to in this letter up to the
end of the current month, but to no later date.

2. The Executive Engineer Bangalore should be distinctly informed that the Government
expect that he will at once adopt the course indicated in paragraph 2, with a view to perman-
ently filling up the vacant appointments in his Office.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
