*Proceedings of the Madras Government Public Works Department,
24th June 1863.*

No. 559. Read the following letter from Captain O. W. S. CHAMBERS, R. E., Superintending Engineer 1st Division, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Department Public Works, dated Waltair, 5th June 1863, No. 162 :—

SIR,

From the Acting District Engineer Ganjam, to the Deputy Chief Engineer Northern Circle, No. 491 of 30th April 1863.

1. In forwarding the accompanying letter from the Acting District Engineer Ganjam, I have the honor to request the sanction of Government to the sum of Rupees 860 being expended out of the Reserve Fund of the current year on the construction of two wells in the Cantonment of Berhampoor.

2. The Estimate for this work was sanctioned in G. O. No. 2,860 of 21st November 1862, but from want of funds, Captain Philipps was unable to put it in hand during the past official year; fortunately this is not to be regretted, as, owing to an unusual monsoon, the existing wells have proved sufficient for the supply of the Sepoy Lines at Berhampoor during the present hot weather.

No. 560. ORDER THEREON, 24th June 1863, No. 1,659.

The sum of Rupees 860 is sanctioned from the Reserve Fund.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.
