1. Adverting to Proceedings of Government No. 342,
dated 11th February 1863, the District Engineer of
Coimbatore reports that a merchant named Damoodar Saib
has offered Rupees (1,000) one thousand for the thirteen
Cotton Gins purchased with the Cotton Gin House by
Government. He states that the difference between the
present probable value and the amount offered by the
merchant is but Rupees 260, and considering this very
small, he recommends that they be sold for Rupees (1,000)
one thousand, in which I agree with him.
