MADRAS RECORD OFFICE.**Government of Madras.***Public Works* **DEPARTMENT.**

G.O. No.	1675	Press -Mis.
	591-592	
Dated	25-6	1863.

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
25th June 1863.*

No. 591. Read the following Endorsement of the Superintending Engineer 6th Division, dated Tanjore, 9th June 1863, No. 49:—

Read the following letter from Captain J. MULLINS, Acting District Engineer, to the Superintending Engineer 6th Division, dated Tanjore, 27th May 1863, No. 38.

SIR,

1. With reference to the Order of Government No. 1,248 of the 18th May 1863, communicating sanction for certain works which were contained in a Supplemental List of this year's Budget, I have the honor to recommend that the grant of Rupees 20,000 therein allowed for the Nadamungalum and Combaconum road for the metalling of which an Estimate Rupees 75,250

was sanctioned in the Order* as per margin, may be transferred to the Negapatam and Nagore road for which a metalling Estimate Rupees 25,730 was sanctioned at the same time.

* G. O. No. 2,881, dated 2nd December 1862.

2. In their Order No. 59, dated 31st January 1863, Government favorably received a proposition for constructing a light Railway from Nadamungalum to Combaconum, and in accordance with their orders Mr. Carr, the Chief Engineer of the G. S. I. Railway, who has charge of the Railway project, recently sent me a survey of the line and of the land required, which is now with the Collector for the purpose of ascertaining the value of the land. It is probable that ere long this Railway will be sanctioned, and in that case the metalling of the road will not be required; on the other hand the metalling of the Negapatam and

Nagore road has been commenced† and if the grant of Rupees 20,000 be transferred to that line three-fourths of it can be completed and the work will be sure to be of permanent utility.

† Vide Government Order No. 255, 29th January 1863.

Submitted to Government with a recommendation that Captain Mullins' request for transferring Rupees 20,000 from the Nadamungalum and Combaconum road to that of the Negapatam and Nagore road be complied with.

(Signed) E. A. FOORD, Captain, R. E.,
Superintending Engineer 6th Division.

No. 592. ORDER THEREON, 25th June 1863, No. 1,675.

The Government agree with the District Engineer that it would be expedient to defer the improvement of the road between Nadamungalum and Combaconum until a decision has

been arrived in regard to the projected Railway between those places, and with reference to the appropriation of the funds‡ sanctioned for the work in question, they approve of the recommendation to expend the amount on the improvements to the Negapatam and Nagore road on

the Estimate of Rupees 25,730, sanctioned in Proceedings dated 2nd December 1862, No. 2,881.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

N^o 38 of 1862/63.

6th Division.
District Engineers Office, Tanjore,
27th May 1863.

From, Captain J. Mullins
Acting District Engineer

To, The Superintending Engineer
6th Division.

Sir,

With reference to the order of Govt^y
N^o 1248 of the 18th May 1863 communicating
sanction for certain works which were contained
in a supplemental list of this year's Budget, I
have the honor to recommend that the grant of
Rupees 20000 therein allowed for the Nidamunga-
lum and Combaconum Road for the Metalling
of which an Estimate Rs 75250 was sanctioned in
G. O. N^o 2881, the order as per margin may be transferred to
dated 2nd December 1862. The Negapatam and Nagore road for which a
Metalling estimate Rupees 25730 was sanctioned
at the same time.

2. In their order N^o 59 dated 31st January
1863 Government favorably received a proposition
for constructing a light railway from Nidamunga-
lum to Combaconum, and in accordance with
their orders Mr. Carr, the Chief Engineer of
the G. S. J. Railway, who has charge of the
Railway

Railway project, recently sent me a survey of the line and of the land required, which is now with the Collector for the purpose of ascertaining the value of the land. It is probable that ere long this railway will be sanctioned and in that case the metalling of the road will not be required, on the other hand the metalling of the Negapatam and Nagore road has been commenced and if the grant of Rupees 20,000 be transferred to that line $\frac{4}{5}$ of it can be completed and the work will be sure to be of permanent utility.

vide Govt. order no 253
29th January
1863.

I have &c &c
Signed / John Mullens.
Capt.
Acting St. Engr. Tanjore.

N^o 49.

Submitted to Government with a recommendation that Captain Mullens's request for transferring Rupees 20,000 from the Adimungalam and Combaconum road to that of the Negapatam and Nagore road be complied with.
