*Proceedings of the Madras Government, Public Works Department,
26th June 1863.*

No. 611. Read the following letter from Lieutenant-Colonel E. HEMERY, R. E.,
Superintending Engineer 3rd Division, to Colonel W. I. BIRDWOOD, R. E., Secre-
tary to Government, Department Public Works, dated Madanapalle, 25th May 1863,
No. 11:—

SIR,

1. I would respectfully beg to point out the omission in the Establishment sanctioned by
Government for Superintending Engineers of Divisions, of a Mutchee, a most useful, in fact
indispensable attendant, in a large office.

2. District Engineers have hitherto been allowed a Mutchee on Rupees 10 per mensem,
and I trust that the omission of this office servant in the Establishments of Superintending
Engineers was an oversight which will be rectified when brought to the notice of Government.

3. I further beg to remark that at present three of my Lascars draw 7 Rupees each per
mensem, but in my new Establishment only two Peons are allowed on that rate of pay, whilst six
Lascars are sanctioned on Rupees 6 per mensem.

No. 612. ORDER THEREON, 26th June 1863, No. 1,684.

Recorded, with reference to Proceedings of Government No. 1,599, dated 18th June 1863.

(Signed) W. I. BIRDWOOD, Colonel, R. E.,
Secretary to Government.

Sir,

I would respectfully beg to point out the omission in the establishment sanctioned by Government for Superintending Engineers of Divisions of a Mutee, a most useful, in fact indispensable attendant in a large Office.

2. District Engineers have hitherto been allowed a Mutee on Rs 10 per mensem and I trust that the omission of this Office, few and in the establishments of Superintending Engineers, was an oversight which will be rectified when brought to the notice of Government.

3. I further beg to remark that at present 30 Rs per mensem is drawn for Rs 6 per mensem, but in my new establishment only 2 Rs are allowed at that rate of pay, while 6 Rs are sanctioned for Rs 6 per mensem.

I have &c.
